Soft Skills	Good Communication, Punctual, Disciplined, Team Player.

EXPERIENCE

	November 2023 - February 2024
Newzertainment	<i>Remote</i>
<ul style="list-style-type: none">• Gained in-depth knowledge of WordPress development, managing and maintaining the website while resolving SEO issues to enhance visibility.	

PROJECTS

UrSoulVoice (Blogging Social Media App)

- Built a session-based login system with features for blog management, including posting, editing, deleting, and restoration.
- Developed user interaction features like following/unfollowing, managing follower lists, and liking blogs using ReactJS, NodeJS, ExpressJS, MongoDB, Mongoose, and Node-Cron.

ChatterBox (Online Chatting App) [LINK](#)

- Developed a real-time chat app with room-based messaging, enabling users to create/join unique chat rooms and manage follower lists.
- Integrated an emoji picker for enhanced interaction using ReactJS, NodeJS, ExpressJS, and Socket.io.

Todo Authenticated App [LINK](#)

- Implemented 2-factor authentication with JWT and email verification, along with to-do task management and follow/unfollow features.
- Built with NodeJS, ExpressJS, MongoDB, and Nodemailer for secure and efficient functionality.

CERTIFICATE

Certificate in MERN Stack Development Acciojob, November 2023 - July 2024.
